

## District Safety Guidelines

The District recognizes that parents and guardians are essential allies in its efforts to limit the spread of COVID-19 on school property including school buses. The District will disseminate information about this Policy including student and family responsibilities, to students and families via email, social media, and on its website.

Upon returning to school buildings, school staff will implement a variety of strategies to inform students about their duty to comply with the District's safety protocols. This may include additional markings on hallway floors, posters and other signage, designation of hand sanitizing stations, etc.

### 1. All students must:

- a. Not come to school if ill including, but not limited to : symptoms of fever (100.4 or higher), cough, sore throat, diarrhea, headache, body ache, shortness of breath, fatigue, loss of appetite and sense of smell, and other flu like symptoms.
- b. Self-screen at home prior to reporting to school.
- c. Comply with all directives related to health and safety, including, but not limited to: usage and passage through common areas and shared spaces.
- d. Abide by social distancing guidelines, keeping a minimum of 6 feet apart where possible.
- e. Follow revised school procedures that may include, but are not limited to: staggered arrivals and dismissal times, after school care or before school care, limited classroom changes, limited movement through the campus, enhanced sanitization, wearing of facial coverings, changes to school cafeteria procedures, increased handwashing, riding the school bus, any school activity outside the regular school day, and other changes needed to comply with state, county and CDC guidelines, and other changes that may be needed for health and safety.
- f. Avoid congregating when moving throughout campus including when using the bathroom (there is no loitering or congregating in the bathrooms). Students must maintain social distance, as much as possible in hallways. Students are expected to move from one class to another, without stopping anywhere between class periods.
- g. If students are picked up at the end of the day, students will proceed to their car as they are dismissed for the day. Students must continue to wear their mask and social distance.
- h. Not share any school supplies, such as pens, pencils, devices, textbooks, etc.
- i. Wear face coverings at all times. Facial coverings should cover your nose and your mouth and with state, county and CDC recommendations. All face coverings (whether disposable or reusable) must: be made of 2 or more layers of breathable material; fit snugly, but comfortably against the side of the face and be secured with ties or ear loops allowing the students to remain hands-free. Gaiters with two layers are permitted, or fold it to make two layers. Scarves, ski masks and balaclavas are not substitutes for masks.
  - i. Exemptions or accommodations (including a plastic shield) to facial coverings must be verified by a treating licensed medical physician as required by ADA, or Section 504 of the Rehabilitation Act and agreed to by a compliant 504 Team.

- ii. Follow district policies for facial coverings when eating, drinking, or for school-related activities (i.e. Band, Chorus, PE) as outlined in District protocols.
  - j. Assist with keeping their desks or workstations clean and clutter free.
  - k. Abide by separate guidelines for athletics and intramurals as established by District administration.
  - l. Be placed in Virtual Learning if testing positive for COVID-19. Students exposed to COVID-19 shall be assigned to Virtual Learning.
- 2. Consequences for Student Non-Compliance
  - a. Any student choosing not to adhere to the District’s policy regarding these expectations or any other aspects of this policy may have consequences as outlined in the WUSD Student Behavioral Expectations Handbook and may be assigned to Virtual Learning.
